

POPESCU IULIAN

Education

1956-1961 Faculty of Mechanics (TCM), Polytechnic Institute of Cluj-Napoca
1965-1970 Ph.D. in mechanical engineering, Polytechnic Institute of Bucharest

Employment

1961 - 1968 research engineer Electroputere-Craiova

1968 - 2006 University of Craiova

1968 - 1972 assistant professor

1972 - 1978 associate professor

since 1978 professor

Developed Classes : Mechanisms, Machine Design, Industrial Robots, Optimization
Analysis, Computational Methods, History of Science
since 1990 Ph.D. advisor - 26 Ph.D. students

Representative positions

1977-1979 Chair Applied Mechanics

1977-1980 Dean Faculty of Mechanics

1975-1981 Scientific Chair of the University Senate

International Research

1968 one month France

1993 two weeks Tehnical University Delft Holland

Awards

"Meritul stiintific" IIIrd class (Decretul prezidential nr.280/1979)

Emeritus Professor University of Craiova, 1998

"Meritul pentru invatamant" Comandor, Decretul nr. 1097/10 dec. 2004

Member of

Academia de stiinte Tehnice din România since 1999

IFTtoMM International Comission of Mechanism Theory since 1998

Romania Association of Mechanism Theory 1972- 2006

President of the Romania Association of Mechanism Theory Craiova teritory 1972- 2006

Vice-president Romanian Robotics Association 2006

Romanian Mechanical Engineering Society

Scientific Activity

Textbooks 63

Scientific publications 394

Grants 32

"Craiova Radio" broadcasting 220

Ph.D. disertation 26
